Hello Scott,

I know we have been bombarding you with a lot of documents to review, to which I apologize. Therefore, I hope I have adequately addressed your comments on the annual state letter (please see attached edited and clean versions). Also for reference attached is a redelegation letter Andrea was able to locate.

I look forward to your feedback!

Regards,
Tawanda

Scott,

Senior management has asked that we have OGC review our annual state letter, attached, especially with regard to the language relating to 24a/24c and also our Covid Pivot. Could you please review and provide comments by noon on the 15th? Thanks.
